Roadrunner Food Bank of New Mexico is New Mexico's largest non-profit organization dedicated to ending hunger in New Mexico. Last year, Roadrunner Food Bank distributed more than 26 million pounds of food through a statewide network of nearly 600 partner agencies and four regional food banks. 47% of our yearly distribution is fresh perishable food such as produce, dairy, and meats. In New Mexico, Roadrunner Food Bank is the only member of Feeding America. Every week Roadrunner and our affiliated agencies help nearly 40,000 different individuals with food assistance, which is equivalent to feeding a city the size of Farmington every single week.
