WHEREAS, the City desires to engage the Contractor to render certain social services as described herein; and

WHEREAS, the Contractor represents that it has the expertise and resources necessary to render such social services; and

NOW THEREFORE, in consideration of the premises and mutual obligations herein, the parties hereto do mutually agree as follows:

1. Goals and Objectives: The Contractor agrees to accomplish the goals and objectives set out in Exhibit A to this Agreement in a satisfactory and proper manner, as determined by the City and within the financial resources provided.
2. Scope of Services: The Contractor shall perform the services set out in Exhibit A ("Services") in a satisfactory and proper manner as determined by the City and within the financial resources provided.
3. Time of Performance: Services of the Contractor designated herein are to commence July 1, 2026, and shall automatically renew for two additional one-year periods, contingent on sufficient funding and appropriations, unless terminated pursuant to this Agreement. Services shall be undertaken and completed in such sequence as to assure their expeditious completion in light of the purposes of this Agreement, but in any event, all of the Services required hereunder shall be completed by June 30, 2029. By signing this Agreement, the parties ratify all actions taken in accordance with the terms and conditions of this Agreement, from July 1, 2026 through to the execution of this Agreement. Further, the parties explicitly agree that all of the terms and conditions of this Agreement, including but not limited to insurance requirements and indemnification, are applicable continuously commencing on July 1, 2026. Automatic renewal of this Agreement for subsequent years within the three-year term is expressly contingent upon the City's appropriation of funds for that particular year.

4. Compensation and Method of Payment:

A. Maximum Compensation: For performing the Services specified in Section 2 of this Agreement, the City agrees to pay the Contractor a total amount not to exceed TWO HUNDRED TWENTY FIVE THOUSAND SIX HUNDRED EIGHTY AND 00/100 Dollars (\$225,680.00), which amount includes any applicable gross receipts taxes and which amount shall constitute full and complete compensation for the Contractor's Services under this Agreement, including all expenditures made and expenses incurred by the Contractor in performing the Services per the "City Budgets" attached hereto and made a part hereof as Exhibit B.

B. Method of Payment:

(1) The City agrees to pay such sum to the Contractor on a unit of service basis at monthly intervals, and subsequent to receipt of a requisition for payment in compliance with the budgetary and fiscal guidelines of the City. Only those units of service which are allowable under the terms of this Agreement shall be paid. The City shall withhold payment to the Contractor for failure to perform the Services described in this Agreement and for failure to meet any other requirements of this Agreement. Payment will be withheld until such time as the Contractor is in full compliance with all the terms of this Agreement.

(2) All requisitions for payment submitted by the Contractor must be supported by documentation of Services provided in the Contractor's files, and indicate "pay now."

(3) Checks issued by the Contractor to pay obligations incurred under this Agreement shall be made payable to the vendor for services or materials and not to cash.

(4) The funds received by the Contractor under this Agreement shall be spent by the Contractor within three (3) days of the receipt of said funds unless such funds are for the reimbursement of costs for which Contractor funds have already been spent.

(5) The City and the Contractor specifically agree that although the default payment schedule for the City is "net 30," under this Agreement the City's payment terms with the Contractor will be "pay now." This Agreement authorizes that the process required for payment may begin upon receipt of the invoice by the City, rather than 30 days after the invoice date.

Program Income shall be treated as described in the *Administrative Requirements for Social Services Contracts Awarded Under the City of Albuquerque*, Section 13.B. report that identifies the total amount the Contractor has billed for Services under this Agreement and any Supplements to this Agreement. If at any time the Contractor determines that payment for Services may or will exceed the total amount provided in this Agreement and any Supplements to this Agreement, the Contractor shall notify the City in writing, as soon as possible after making that determination. If the Contractor's billing exceeds the amount of this Agreement and any Supplements, the City may stop or delay payment, or the Services may be ceased or delayed at the City's request.

5. Budget Revisions: The Contractor shall inform the City of any "line item" revisions to the City Budgets, within the Maximum Compensation shown in this Agreement and shall obtain the City's prior written approval of any budget line item change that represents at least Five Hundred Dollars (\$500) or five percent (5%) or more of the line item amount, whichever is greater, pursuant to the latest approved budget. Such event shall not constitute an event of default. All payment obligations of the City and all of its interest in this Agreement will cease upon the date of termination. The City's determination as to whether sufficient appropriations are available or have been made shall be accepted by all parties and shall be final.

2. **Output 2:** On a quarterly basis, 55% of partner agencies will respond to Roadrunner's food quality surveys, providing feedback on the quality of food distributed by Roadrunner.

Outcome 2: Maintain an average food quality survey score of 8 or more on a scale of 1 to 10.

3. **Output 3:** 50% of partner agencies will be monitored to confirm distribution to low-to-moderate income populations and to ensure partner agencies have established methods on food safety handling, storage, and distribution of all food, as evidenced by monitoring documentation.
